

National Survey on Mobile Technology for Education

Table of Contents

Introduction	1
Executive Summary	3
Key Takeaways.....	3
Adoption of Mobile Technology	5
A Closer Look at Mobile Technology Adoption.....	6
Benefits from Mobile Technology for Student Instruction	7
Apps.....	7
Decision Makers and Key Influencers re: App Selection and Purchase.....	8
iTunes Education Volume Purchasing	9
Sources of Information About Apps	7
Most Significant Hurdles to Mobile Technology Adoption.....	9
Findings in Detail	10
Respondents' Roles in Their Districts	10
Education Levels for Which Respondents Were Responsible.....	10
Size of Respondents' Districts.....	11
Adoption of Mobile Technology	13
Likelihood of Adopting Mobile Technology in the Next 1-2 Years.....	14
Likelihood of Wider Adoption of Mobile Technology in the Next 1-2 Years.....	15
Most Significant Hurdles to Mobile Technology Adoption.....	16
Access to Mobile Devices in Classrooms.....	17
Types of Mobile Technology Adopted for Student Instruction.....	18
Expected Benefits from Mobile Technology for Student Instruction.....	19
Most Important Benefit Sought from Mobile Technology for Student Instruction.....	20
Beneficial Apps	21
Price for Essential Apps.....	23
Price for Supplemental Apps.....	24
Primary Responsibility for Mobile Technology Apps	25
Key Influencers for Mobile Technology Apps.....	27
iTunes Education Volume Purchasing	29
Sources of Information About Apps	30
Social Media as Sources of Information About Apps	33
Educator Suggestions for Education Apps	34
Appendix	35-53
